Ministering brethren were invited to seats with us.

Upon invitation, the recently constituted churches at Holley Springs and Olive Branch, presented letters petitioning membership. The delegation from Shady Grove opposed the admission of Olive Branch, when,

Upon motion of Elder J. D. Williams, a committee of five was appointed to reconcile the differences between the applicants and opposers. The committee consisted of brethren Williams, J. A. Colley, C. Gregory, Harrington and Letcher.

Business was suspended for the purpose of hearing a communication from Bro. W. P. Chilton, which was read, received, and referred to a committee of seven; consisting of brethren T. J. Russell, B. T. Smith, William Lindsey, A. B. Callaway, James Walker, G. E. Brewer and B. Skipper.

The following committees were announced, to report during the session, viz:

The committee to reconcile differences between Shady Grove and Olive Branch, reported progress and were granted further time.

The Association then adjourned until half-past 8 o'clock, A. M., Monday, Oct. 2d. Prayer by Elder W. Harrington.

SUNDAY, OCT. 1st.

The order reported by the committee was observed, and after the Missionary sermon by Elder Williams, from 1st Tim., 1 c., 15 v., a collection was taken up, amounting to \$7,31.

MONDAY, OCT. 2d, 1865.

The Association met pursuant to adjournment. Prayer by Elder J. M. Russell.

The Decorum was read, after which the roll was called and absentees erased.

Upon motion of Bro. Lindsey, the rules were suspended, and the report of the committee on reconciliation was read, received and adopted, as follows:

"Your committee on reconciliation between the applicants for membership, Olive Branch church, with your body, and opposers to the measure, beg leave to report that, after an interview with the parties, had seemingly failed to accomplish your christian design, reflection caused them to withdraw their objections. And, after its voluntary announcement to your committee, the brethren on both sides had a christian interview, in which their hands and hearts came together in love and fellowship, affording another evidence of the nature of true piety in its conquests over misguided prejudices."

J. D. WILLIAMS, Chairman.

Olive Branch was then admitted into the membership of the body, and the hand of fellowship extended.

The Treasurer not being present, there was no report from him.

Bro. W. M. Lindsey was, by acclamation, appointed Treasurer.

The committee on Documents and Requests made their report, (C) which was received and adopted. Special attention called to this report.

A committee of three was appointed to report to the Association, a proper course to be pursued by us, as christians, towards those who were formerly slaves among us, in educating and morally training them. Committee, Y. D. Harrington, William M. Lindsey and E. T. Akin.

He was an active christian, and in 1835 was ordained to the Gospel Ministry at Valley Grove, Talbot county, Ga., where he labored a short time, when he removed to Chambers county, Ala., in 1836, and for some time was Missionary in the Liberty Association. In 1848 he removed to the Central Association, Ala., where he labored in the vineyard as far as his health allowed, until 1862, when his health suddenly declined, and on the 9th of April, 1865, the Lord of the vineyard called him home to his eternal rest.

Y. D. HARRINGTON, Chairman."

Unfinished business was referred to the Executive Committee to be attended to.

A vote of thanks was unanimously tendered to the brethren of Good Hope and the surrounding citizens, for their kindness and hospitality.

### APPENDIX A.

*Report of Special Committee on the Communication from Bro. W. P. Chilton*

We have considered the communication, and believing the glory of God will be promoted by the union of the various branches of the Baptist family, thus concentrating our strength for the defence of the truth; we therefore recommend the appointment of Brethren W. P. Chilton, Thomas H. Watts and J. L. M. Curry as messengers to visit and open correspondence with such bodies with reference to getting up a general Conference, by which the differences in the denomination may be considered, adjusted, and harmony restored upon a permanent basis.

*Resolved*, That we request all Associations that may yet hold their sessions, to appoint the same committee, giving them similar powers. Also, that Associations that have already been held, concur through their Executive Committee.

*Resolved*, 2d, That the State Convention be requested to take similar action.  
T. J. RUSSELL, Chairman.

DADEVILLE, Sept. 27th, 1865.

*To the Moderator and Brethren of the Central Association:*

Dear Brethren:—I withdraw for a time from business which brought me to this place, to attend to the Master's business. I trust my heart is inditing a good matter, and I beg your prayerful consideration of it. It is this:

Our Zion is divided. Instead of one fold and one shepherd, we have many folds. Instead of being one, as the blessed Redeemer and his Father are one, we are many—divided into factions—Missionaries, Primitives, Campbellites, Whiteites, &c., &c. All this is wrong. Shall no effort be made to rectify and correct it? Is there no balm in Gilead? Is there none among us who are able, by the grace of our Divine Master, to set on foot some plan, by which all difficulties to our union, all obstacles which separate us, can be surmounted, and peace and harmony be restored? I believe this can be done; and your Body may become the initiator of this great peace measure, by appointing, say three brethren, as Commissioners to confer with a similar Commission to be appointed by the Baptists who differ with us, to agree with us on terms of reconciliation, and report the same to their respective bodies for their confirmation or rejection.

Brethren, think of this matter, and see if your wisdom cannot devise some plan by which we can have peace and union, and thus promote the glory of God and the welfare of our race. May the good Lord prosper and preside over your deliberations.

Yours, in Christ,

W. P. CHILTON.

### APPENDIX B.

Dear Brethren:—In these times of great civil confusion, we have a desire to direct your minds to the solemn truth, that our Holy religion teaches that knowledge is life, and ignorance is death. We shall not attempt to prove this by lengthy argument, but simply by reference to a few passages in the record. The last prayer of the Saviour teaches, John 17, 3: "This is life eternal, that they might know the only true God, and Jesus Christ, whom thou hast sent." And again, John 8: "If ye had known me, ye would have known my Father also," &c. On the other hand, we have Luke 19, 42: "If thou hadst known,

even thou, in this thy day, the things which belong to thy peace; but now they are hid from thine eyes." And, again, John 4: "Jesus answered and said unto her: "If thou knowest the gift of God, and who it is that saith to thee, give me to drink, thou wouldest have asked of Him, and He would have given thee living water," &c. Hence, we conclude that the highest instruction we can give, is to be found in John 5, 19: "SEARCH THE SCRIPTURES."

Read, search, penetrate as far as we can, the Divine mind, and learn to do His will, and great will be the reward. Remembering as Tim. 4: 5, teaches, that all things are sanctified by the word of God and prayer.

B. T. SMITH.

#### APPENDIX C.

##### *Report of Committee on Documents and Requests.*

The Committee to whom was referred the subject of Documents and Requests, have had nothing brought before them demanding attention, except in the Letter from the Church at Liberty West, in which we find the following paragraph: "We ask the views of the body relative to the colored part of the membership of a church, or those of them who leave their former homes without the consent of their owners, and whether or not we could grant such members Letters in fellowship to join any other Church?"

In answer to the query propounded, the Committee beg leave to report, that in their opinion, those who left prior to the enforcement of the proclamation of the President of the United States, declaring them free, were in disorder, and are subject to the discipline of the Church; such as have left since that time, if their walk and conduct otherwise is such as a child of God should be, they are entitled to Letters, except in the cases of those who have violated contracts.

Respectfully submitted,

J. M. HART, Chairman.

#### APPENDIX D.

The Committee to report upon the relation of the colored race to the whites, have had the matter under consideration so short a time that it is impossible to make a report upon the subject, satisfactory to ourselves or the Association. Considering the circumstances under which they have been placed in their present condition, the influences brought to bear upon them to estrange them from their former owners, we would recommend an enlarged christian charity in our intercourse with them, in order that we may win back their confidence and affection.

The education of the race is a subject of grave importance, but one on which our limited time will not allow us to make any suggestions. That their elevation as a race is demanded by the general interest of society all must admit.

We would recommend our churches and pastors to extend every facility for their religious and moral instruction, and allow them to hold their former relation to us in our churches.

In view of the scarcity of provisions, resulting from the interruption of the labor system of the country, we would recommend the planting of large provision crops, which we believe necessary to the preservation of both races.
